INTERAMERICAN
ACADEMY

Innovation in learning

- » K12 education in a blended, flexible format with synchronous and asynchronous learning.
- » High school and AP online curriculum leading to a US High School Diploma open to students anywhere in the world.
- » Office hours, and lab times for contact and support from teachers.
- » Access to remote resources such as ebooks and library catalogue.
- » Social Emotional Counseling and college and career counseling services.
- » Participation in all cultural and social events at IAA such as IAA's Week Without Walls program and International Day.
- » Opportunities for service learning projects.

- » Credit system provides flexibility to complete requirements to receive the high school diploma. With some intensive courses offered over the summer.
- » Students not yet at the language proficiency level required, may need to take intensive English classes prior to enrolling in regular classes through our language academy ILA.

⇒ Spanish immersion summer program for students outside of Ecuador interested in cultural immersion and language acquisition.

⇒ Online students will be paired with a local host family. They will provide support to eIAA students when and if they are ever in the city, for instance, for testing or for language immersion programs. They will provide a sense of community and belonging to the school.

⇒ Exchange programs with host families. Students can attend in-person classes at IAA or travel to other locations where we have eIAA families.
