We appreciate your responses to these questions to the best of your knowledge. They are designed to assess the academic potential of the student. This, in addition to our assessments, will determine the candidate placement and admission to Interamerican Academy.

1. How long have you known the candidate?

2. How often have you had contact with this student?

3. In relation to other students you have taught, how would you rate the candidate's overall aptitude? *(Please circle.)*

Superior Above Average Average Below Average

4. How has the student performed academically in relation to potential?

5. Please describe this student's academic strengths and weaknesses.

6. Please describe this student within the context of your classroom?

7. How does this student respond to peers, adults, advice, and criticism?

8. In your opinion, how will this student adapt to a new school in an international environment?

9. What adjectives or phrases would you use to describe the student?

10. Please rate this candidate in the categories listed below.
