

INTERAMERICAN ACADEMY

INTERNET PUBLISHING CONSENT AND WAIVER FORM

Student Name _____ Grade _____

Dear Parents

We are very pleased to announce that InterAmerican Academy is about to start-up its new website with items for this new school year. We are very excited about this!

Occasionally we would like to include photos/videos of our children working, playing, etc. as they are what the school is about. Of course, we would like to publish the best works of our students too. Thus, group photos, videos and students work may be included on teacher blogs, on the school home page, and other links on our website (parent and student portals and social media linked to our website).

This letter is a **request for permission to publish your child's image** on the InterAmerican Academy web site, blogs, social media (Facebook, Twitter, Instagram, Youtube, etc) and brochures.

Thank you,

Pete Nonnenkamp
Director

I understand that this consent and waiver form gives permission for InterAmerican Academy to publish the above named student's work and image on the internet in the IAA website and in various media sources such as newspapers where school business is published. I understand that published works and photos will be identified by first name only. I release InterAmerican Academy from any liability resulting from or connected to this information.

Please print and return this signed form to your child's homeroom teacher (elementary students) or advisor (secondary students). Teachers will also accept electronic scans e-mailed to them. If you opt not to return the form by this date then you are indicating that permission is not granted.

This permission to waiver will stay in effect until cancelled by the parent, guardian or student if 18 years or older.

Signature of Parent/Guardian Date _____

OR

Signature of Student if 18 years or older. Date _____
